

Nature club has set up a compost bin for the school! The stainless-steel collection bin for the compost is located in the student lounge. All you have to do is put your food scraps into the bin according to the list below. The actual compost bin is located outside in the school yard. The proper food scraps can be placed directly into the bin if you are already outside.

Compostable Items:

GOOD

- Vegan food Waste
- Fruits and vegetables
- Eggshells
- Coffee grounds and filters – PLEASE TEACHERS
- Tea bags (no staples)
